

Discover your options

DEFINE YOUR OBJECTIVES

Start by asking yourself these questions:

- What are your goals for your time abroad?
- How will your program fit into your academic and professional goals?
- Do you want to study in a foreign language or learn a language?
- Where do you want to go?
- When do you want to go?
- How long do you want to stay in Abroad?
- Do you to settle in abroad?
- What is your budget?

EXPLORE PROGRAM OPTIONS

Start by taking a look at the Admission.ac website. You must identify a few interesting options that appear to be well-aligned with your academic and professional objectives. While the Admission.ac web page is a great platform to start, you are not alone in your program search process, our expert Academic Advisor will be with you in whole process. You are welcome to stop by the Admission.ac office anytime during office hours to discuss your goals and explore program options.

MEET WITH ONE OF OUR ACADEMIC ADVISORS

Once you have you have basic knowledge on programs and considered a few program options, it is time to schedule an appointment with the Academic Advisor who is most knowledgeable about the program(s) and region(s) you're interested in. You can schedule an appointment by calling +88 01847334731.

Apply for Admission:

Navigating the admission process of student's chosen educational institution can often be a confusing process. At **Admission.ac** we will help you to make things easier. We will also coordinate with the relevant institution admission office on behalf you to ensure the process progresses as efficiently as possible.

There are several formalities to follow, in order to complete admission process

- Application deadline
- Pre-requisite Tests information and requirements (IELTS, TOEFL, GRE, GMAT etc.)
- Application fees and payment formalities
- List of documents required for admission
- Various locations to where the application material has to be sent
- Different approaches to know the admission status
- Contact methods to know about the Letter of Acceptance/CAS/I-20/JW 20/VAL etc dispatch status
- Further steps to confirm the admission with your chosen university

Admission.ac's expertise and regular interaction with the admission offices of most universities/colleges will keep track with all the above aspects and give unsurpassed service while completing the admission formalities on behalf you.

Apply for Student Visa:

Again the student visa process of your chosen country can often be a confusing process. Every country, depending on their Immigration Laws have a specific list of documents. However, while the exact requirements are different in terms of actual terms, the list is generic. At **Admission.ac** we will help you to make things easier.

Visa Application Guidance: We will provide complete assistance with student visa applications. This includes providing advice on the documentation required for the student visa, lodging the student visa application and coordinating the same on your behalf with the concerned visa office.

VISA Interview Preparation: Visa interview is one of the most important steps in the whole admission cycle of studying abroad. Our visa team remains updated with the latest visa requirement, immigration

policies and visa checklists. We also keep a database of possible visa interview questions specific to students' profile.

Our team of efficient advisor will provide you with the effective tips, training and advice required to prepare you well for the visa interview and questions. Our pre-interview process will help you to understand the whole interview phase and make it successful to study abroad goals. We help in visa interviews for all students looking for education overseas in UK, USA, Canada, Australia, Germany, Switzerland, New Zealand, Malaysia, China, Singapore and many other countries.

Due to the most up to date information and sophisticated preparation, our student visa success rate is higher than others.

Prepare for Flight

Travel Arrangements: Through our partnerships with leading service providers, we take care of all travel needs including air ticketing, foreign exchange and travel insurance.

Pre-Departure Briefing: Before you fly, a pre-preparation about the new destination, culture and environment will be provided by us that includes - Details of local transportation e.g. Metro, bus, taxi, the location of nearby banks, markets, post office etc. We will give all out explanation about the University, and country's rules and regulations that strictly followed by students. We will always ask you to seek advises from us and the person in charge for international students in that university. We will take into account the needs and desires of you.

Airport Pickup and Accommodation: Our aim at providing all-around service in the whole course, starting from the application for universities and students' visa to the arrangement of airport pick-up and accommodation at destinations for the students who would like to seek their studies abroad. We will suggest various suitable accommodation options in new a destination that will help you settling down easily in a new environment comfortably.
